THE DREAM ACT

HON. GRACE F. NAPOLITANO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 28, 2017

Mrs. NAPOLITANO. Mr. Speaker, I would like to include in the RECORD letters of support for the DREAM Act from several California colleges and universities, and the County of Los Angeles:

SEPTEMBER 8, 2017.

Re Immigration Reform for Undocumented Students.

Hon. GRACE F. NAPOLITANO,  
Longworth House Office Building,  
Washington, DC.

DEAR REPRESENTATIVE NAPOLITANO: On Tuesday, U.S. Attorney General Jeff Sessions announced that the administration planned to end the Deferred Action for Childhood Arrivals (DACA) program. This program provides immigrant students brought to the United States as minors the opportunity to enroll in a college or university and seek authorization to work without fear of deportation. To date, nearly 800,000 students have applied for DACA status, with nearly one-third—223,000—calling California home. These students are currently pursuing academic and vocational pathways that position them for future success; the termination of the DACA program threatens these students, their families, our institutions, and our communities. Accordingly, we implore Congress to act swiftly to create a permanent solution for these students.

At minimum, we urge the passage of H.R. 496, the "Bar Removal of Individuals who Dream and Grow our Economy" or BRIDGE Act, sponsored by Reps. Coffman (R-CO) and Gutiérrez (D-IL). This bipartisan bill would codify the DACA program, allowing students registered under DACA to continue their studies and/or maintain the ability to work with a new, protected status for a period of up to three years. It would also safeguard the privacy of their personal information except in cases of national security or criminal investigation.

More so, we encourage you to adopt a more comprehensive measure, such as H.R. 3440, the DREAM Act of 2017, sponsored by Reps. Ros-Lehtinen (R-FL) and Roybal-Allard (D-CA). This bipartisan bill would create a pathway to permanent legal status for students and military service personnel who call the United States home. In doing so, this more comprehensive measure would communicate that students' and veterans' efforts to work hard, protect our nation, graduate from college, and find meaningful and gainful employment, would give them a permanent opportunity to provide financially for their families, to engage in community and civic life, and, ultimately, to achieve the American dream.

Though a politically complex issue, we entreat you to act now. An Economist/YouGov poll taken September 3-5, 2017, reveals widespread bipartisan support for the DACA program. Nearly 60% of all registered voters supported or strongly supported DACA, including 53% among Republicans and 70% among Democrats. In addition, more than 55% of voters under age 29 and older than age 65 support this program. It enjoyed favor across race, ethnicity, and income levels. In addition, education leaders of private and public institutions across the state have pledged near-universal support for students in the DACA program, and faith communities are overwhelmingly supportive of immigration reform measures that offer protection to DACA/DREAMer students.

COUNTY OF LOS ANGELES

BOARD OF SUPERVISORS,

Los Angeles, CA, September 15, 2017.

Hon. GRACE F. NAPOLITANO,  
House of Representatives,  
Washington, DC.

DEAR REPRESENTATIVE NAPOLITANO: We are writing to respectfully urge you to support a permanent legislative solution for all the recipients of the Deferred Action for Childhood Arrivals (DACA) program and their families.

The pending termination of the DACA program puts at stake the future of nearly 800,000 young people nationwide. California is home to one in four DACA recipients, of which half reside in Southern California. In addition to the personal impact to these young individuals and their families, DACA's termination would hurt the nation's economic viability. Ending DACA and admonishing recipients from the labor force could cost the United States \$460.3 billion in GDP and decrease Social Security and Medicare contributions by \$24.6 billion over the next decade.

Action by Congress in the next six months is critical to the future of DACA recipients and our nation. Our Board supports the DREAM Act of 2017, bipartisan legislation that would allow DACA recipients to earn lawful permanent residence and provides them a pathway to American citizenship. The DREAM Act exemplifies the type of strong legislative solution that would allow these young immigrants to continue contributing to our communities.

Thank you for your consideration of this important matter.

Sincerely,

MARK RIDLEY-THOMAS,  
Chairman of the  
Board, Supervisor,  
Second District.

HILDA L. SOLIS,  
Supervisor, First District.

SHEILA KUEHL,  
Supervisor, Third District.

JANICE HAHN,  
Supervisor, Fourth District.

KATHRYN BARGER,  
Supervisor, Fifth District.

IN MEMORY OF MR. ALTO "BUD"  
ADAMS, JR.

HON. THOMAS J. ROONEY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 28, 2017

Mr. THOMAS J. ROONEY of Florida. Mr. Speaker, I rise today to honor the life of Alto "Bud" Adams, Jr. of Fort Pierce, Florida, who passed away on September 22nd at the age of 91 in his home on Adam's Ranch in Fort Pierce.

Bud Adams, a larger than life cowboy known for his integrity and firm handshake, was a fixture in Florida's agricultural community. Bud was the patriarch of the Adams Ranch, a four generation family operation that spans 80 years and spreads across more than 50,000 acres in four counties. He began managing the ranch with his father in 1947 after serving in the Navy during World War II. A legend among Florida cattlemen, Bud was responsible for the development of the Braford breed of beef cattle, a breed capable of withstanding Florida's hot and rainy summers. He served as the President of the Florida Cattlemen's Association, and is also a member of Florida's Agricultural Hall of Fame.

Bud was also an ardent conservationist and environmentalist who not only believed, but proved, that the land could be worked in a way that preserved Florida's natural beauty. He was an avid wildlife and nature photographer who could capture the natural splendor of God's creation through the lens of his camera. His photographs of Florida's landscape and wildlife have been featured in numerous books and magazines. For his conservation efforts, Bud was recognized by both the National Cattlemen's Association and the Florida Cattlemen's Association for environmental stewardship, and he was named landowner of the year by the Florida Fish and Wildlife Conservation Commission. Bud's land that he bought, developed, managed, and cared for with his family, will continue to stand as a lasting testament to his dedication to preserving Florida's beauty.

Bud is survived by his loving wife of 67 years, Dorothy "Dot" Adams, his three sons Alto, Michael, and Robert, his fourteen grandchildren and nine great-grandchildren.

Mr. Speaker, Florida has truly lost an icon. My thoughts and prayers are with Bud's family and loved ones as they mourn his passing. Bud Adams will be greatly missed.

PERSONAL EXPLANATION

HON. RAUL RUIZ

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 28, 2017

Mr. RUIZ. Mr. Speaker, there is no question that we should deport known criminal gang members who are undocumented. That's why I voted for H.R. 3697, the Criminal Alien Gang Member Removal Act. However, I have real concerns about the overly vague language of

this bill and believe there is much room to improve. We need to make sure that families, humanitarian aid workers, and religious institutions that help rehabilitate gang members are not penalized. I am disappointed that the House leadership did not follow regular order or allow amendments to the bill, so we could have addressed these concerns. I urge the Senate to work together to make improvements to the overly broad language in the bill.

### PERSONAL EXPLANATION

#### HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 28, 2017

Mr. PASCRELL. Mr. Speaker, on September 28, 2017, I missed four Roll Call votes because I was attending a funeral for my cousin in New Jersey. Had I been present, I would have voted:

YES on the Democratic Motion to Recommit on H.R. 3823, Disaster Tax Relief and Airport and Airway Extension Act of 2017 (Roll Call No. 541). This amendment includes the full, bipartisan National Disaster Tax Relief Act, which I introduced with my colleague Representative TOM REED from New York. The Reed-Pascrell bill would help victims of natural disasters recover faster with tax relief to alleviate cleanup and rebuilding expenses. The bipartisan bill would provide tax relief to communities across the country devastated in a presidentially-declared disaster in recent years. The amendment takes nothing away from the underlying bill, only making tax relief more robust for victims of recent hurricanes, and adding tax relief for victims of Sandy and other disasters.

NO on final passage of H.R. 3823, Disaster Tax Relief and Airport and Airway Extension Act of 2017 (Roll Call No. 542). I was pleased to support aid to those affected by Harvey and Irma and will continue to do so. We urgently need to deliver relief and assistance to those currently impacted by Hurricane Maria in the U.S. Virgin Islands and Puerto Rico, where the
